The 7th annual Bob's One K swimmers enjoyed sun and about 60-degree water Saturday, Aug 6th at Settler's Cove State Park. 15 swimmers entered the swim sponsored by the Ketchikan Masters Swim Club with 14 completing the course. Two new open water swimmers said they would continue in more open water swims. Experienced swimmer Sarah Stoltman from Minnesota had recently completed a swim the Bosphours, Turkey and Michelle Macy of Oregon recently swam Gibraltar in Europe. Claudia Rose of San Diego will swim next week in the Sitka Sound swim. The Pennock Is Challenge swimmers use the One K as a warm up for Sunday while others as a fun fast sprint event. The swim was named after local Bob Bloom when he completed his first ever open water swim 3 years ago displaying such great enthusiasm for the event he probably added another half K in the process. Volunteers Bill Elberson and RK Rice set this year's course and safety kayakers Bridget Norton, Brennen Schulz, Willie Schulz and Al Brenner monitored the swimmers. Lots of other club members and their families volunteered to make the race a success.
